### A. Eligibility Criteria

Each participating school will be limited to a certain number of students appearing in each division as follows:

Division 1	Each participating school will be limited to a <b>maximum of five (5) students</b> appearing in Division 1.
Division 2	Each participating school will be limited to a <b>maximum of five (5) students</b> appearing in Division 2.

### B. Level of Competition and Speech Length

Division 1	Middle school & High school students who are not immersion program students nor do they come from homes where Japanese is spoken
Division 2	Immersion Program students of Middle and High school level or students who are from homes where Japanese is spoken

Speech length is **three (3) minutes**. Speeches slightly over (30 seconds or less) the time restrictions set above are acceptable. However, contestants will be asked to stop when speeches are longer than 3 minutes and 30 seconds.

### C. Speech Topic:

スピーチ トピック : わたしの<sup>す</sup>住んでいる<sup>ちいき</sup>地域の<sup>しょうかい</sup>紹介

Speech topic: Promoting my local community

**Speeches must be written by students themselves.**

Students are allowed to bring notes if they need. No visual aids such as panels, OHP, or music tapes/CDs are allowed.

### D. Selection Process

The panel will consider Japanese language ability, speech content and presentation. Judges do not expect students to perform like native speakers; rather, they will be looking for mastery of a certain skill level. For this reason, we

encourage teachers and family to refrain from excessive correcting and rewriting of their student's speeches.

The panel will evaluate each contestant for Japanese language ability, speech content and presentation/delivery. One of the judges will ask the student two to three questions in order to check whether or not the speech is rote memorization. The scores of contestants will not be disclosed for any reason.

The City of Sapporo's special award will be selected by a judge of the Portland – Sapporo Sister City Association separately from the above selection process.
